

# MindMingle THE INSPIRATION FESTIVAL 14 EDITION

Theme:

## HUMANIZING EDUCATION in the Era of AI

**Who should attend :-** School Leaders, Educators, Policymakers and Individuals interested in education and meaningful living.

Brought to you by **Mind Mingle**, in collaboration with **Action Committee**.

📅 Dec 20, 2024

📍 India Habitat Centre, Delhi

## What This Festival Offers?

"The Inspiration Festival" is a one-day event dedicated to igniting transformation in education. Now in its 14th edition, this impactful conference has, over 10 years, brought together extraordinary minds and education leaders to redefine school education in India. Join us for a day filled with groundbreaking ideas and collaborations.

## What's in Store?

- **Inspiring Sessions** :- Thought-provoking talks and discussions with visionary speakers.
- **Theme Spotlight** :- Delve into "Humanizing Education in the Era of AI" — exploring how core human values can shape the future of education amid rapid technological advancement.
- **Networking Opportunities** :- Connect with peers and pioneers in school education who share a commitment to purpose-driven learning.
- **Exclusive Insights** :- Discover the increasing significance of empathy, adaptability, and emotional intelligence in schools.

## Why You Should Attend?

- Learn innovative strategies to prepare students for a world where technology and human values coalesce.
- Gain inspiration from speakers who are revolutionizing the role of education in shaping future leaders.
- Build connections with educators, school leaders, and innovators focused on making a lasting impact.

# Featured Speakers

This year's lineup brings together distinguished educators and changemakers whose work is setting new standards in education and meaningful living.

## Peepal Baba

An iconic environmentalist known as the "Tree Man of India," Peepal Baba has planted millions of trees across the country, inspiring communities to embrace environmental care. His lifelong mission reinforces the essential connection between nature and education.

## S. Gopalan

## About the Organizer and Registration

### About the Organizers :-

**Mind Mingle** is a transformative organization dedicated to professional development and the evolution of K-12 education in India. Through immersive programs, teacher training, and collaborative learning opportunities, we aim to empower schools and educators to create a meaningful impact on students' lives.

In collaboration with the Action Committee, The **Action Committee** is dedicated to advancing and enhancing the standards of unaided, recognized private schools in the National Capital Territory of Delhi. With a focus on elevating the quality of education, governance, and management, the committee strives to foster a unified code of conduct. Through its efforts, the Action Committee strengthens the reputation, quality, and resilience of private educational institutions across Delhi.
